

## PRINCIPAL FUNCTIONING AGENTS

Proprietary blend of nonionic surfactants and humectants.....	80%
Constituents ineffective as a spray adjuvant .....	20%
<b>TOTAL</b> .....	<b>100%</b>

All ingredients are exempt from tolerance under 40 CFR 180.

### NONIONIC SURFACTANT

## KEEP OUT OF REACH OF CHILDREN WARNING

### FIRST AID

<b>IF IN EYES:</b>	<ul style="list-style-type: none"><li>• Rinse cautiously with water for several minutes.</li><li>• Remove contact lenses, if present and easy to do, then continue rinsing.</li><li>• If eye irritation persists: Get medical advice or attention.</li></ul>
<b>IF ON SKIN OR CLOTHING:</b>	<ul style="list-style-type: none"><li>• Take off contaminated clothing and wash it before reuse.</li><li>• Wash with plenty of soap and water for several minutes.</li></ul>
<b>IF SWALLOWED:</b>	<ul style="list-style-type: none"><li>• Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able.</li><li>• Do not give anything by mouth to an unconscious person.</li></ul>
<b>IF INHALED:</b>	<ul style="list-style-type: none"><li>• Remove victim to fresh air and keep at rest in a position comfortable for breathing.</li><li>• If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth-to-mouth, if possible.</li></ul>
Call a poison center or doctor to specify the appropriate emergency medical advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.	

### PRECAUTIONARY STATEMENTS

Cause serious eye irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, gas, mist, vapors or spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection and face protection.

### GENERAL INFORMATION

**IKE'S GRIP-STICK** is engineered with superior surfactants and emulsifiers to spread the active ingredient throughout the target and efficiently wet the intended surface.

**IKE'S GRIP-STICK** slows drying of the application and enhances permeation through wetting resistant surfaces. A defoamer is included in the formulation for easier mixing. Compatible with most active ingredients in all crop and non-crop applications.

### DIRECTIONS FOR USE

Follow the directions on the most restrictive active ingredient label.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

Use only if a surfactant is allowed or not excluded on the label.

If the user does not have experience with the mixture being applied, perform a jar test using the order and amounts in the mixture and perform a phytotoxicity test to ensure crop safety.

### Not For Aquatic Use.

#### Order of addition

In general, follow the W-A-L-E-S plan when adding herbicides to a tank mix.

1. Wettable Powders (WP) then Flowables (F, DF)
2. Agitate then add anti-foaming compounds, buffers
3. Liquid and Soluble products
4. Emulsifiable concentrates (EC)
5. **IKE'S GRIP-STICK** or other adjuvants

Prior to mixing, fill the spray tank with half of the carrier. Start the sprayer and check to make sure that all valves and gauges work and that there is adequate tank agitation.

### USE RATES

Application	IKE'S GRIP-STICK
Herbicides, defoliants, desiccants	1 to 4 pints
Insecticides, fungicides, acaricides	3 to 8 fluid ounces

### STORAGE AND DISPOSAL

**Storage:** Store in a cool, dry place. Store in original container only. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. For optimal storage, store between 40° and 90°F.

**Disposal:** Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your State and local ACRC recycler, visit the ACRC web page at [www.acrcycle.org](http://www.acrcycle.org). Decontaminated containers and materials must be disposed of in a manner allowed by local, State and Federal laws and regulations.

**Warranty Statement:** Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
